

HR-2R

Earphone Impedance: 150

Cord Length: Staight 5' (1.5M)

Plug Type: XLR A4M Connector

Description: The HR-2 is a medium-weight noise-reduction headset with dynamic noise canceling microphones, a noise reduction rating of 21 dB - suitable for use in moderately noisy environments. This model features a unique headband design that distributes ear cushion pressure evenly over the entire ear with no points, and fold into an extremely compact shape for storage.
