

Eclipse MXL Midnight

Fader Controller/Expander with LCD Buttons

Eclipse MXL™ is our professional fader controller, featuring high-quality, touch-sensitive, 100mm motorized faders and high-resolution backlit LCD display buttons.

New for 2017 - we've updated the product with higher quality faders for better feel and improved reliability.

The LCD buttons can display 64 colors and up to 32 characters of text and graphics. Optional USB, 10/100 Ethernet, RS-232 and RS-422 compact interface cards provide connections to host systems. It displays channel labels, color coded track arming status and other mission critical information.

Eclipse MXL is supported by
LAWO (L-S-B)
Virtual Studio
Manager (VSM),
Peavey MediaMatrix
NWare, Sony ELC Enhanced
Live Production Control System, Viz
MOSART Studio Automation and other
advanced software applications.
