

FILTER AND NETWORK TECHNOLOGY

## Product : 1U Rack Frame for mounting up to 8 off Relays

Model No. : LMPR01

### Overview

The LMPR01 rack frame is a 1U 19-inch panel, finished in black, punched to take eight relays mounted from the rear by means of the mounting screws, the BNC connectors facing out of the rack. If it is desired to have the connectors facing into the rack, the relays may be reversed, revealing the relay modules which will protrude 15mm from the surface of the panel.
