Description

Additional information

The **SmartBoom® PRO** Single-Ear headset is part of a line of communication headsets that is specifically designed for exceptional comfort, flexibility, and durability as needed in the most demanding professional environments.

Sturdy yet comfortable, SmartBoom headsets provide high ambient noise reduction and high-quality, clear audio. The flexible, ergonomic, and ambidextrous headset design allows for right or left side use and has soft ear cup padding, and adjustable headband to ensure a perfect fit for comfortable all-day wear and less ear fatigue. Featuring the revolutionary SmartBoom technology, the microphone boom acts as an On/Off switch for quick and convenient microphone muting, which also helps to keep unwanted noise and distractions to a minimum.
