Bowens COB-LED Light

BL-150E is a Bowens mount 150W COB LED light, with DMX control, high CRI/TLCI, accurate color performance, and various Bowens accessories for broadcast studio, mobile studio, live streaming studio applications.

27290Lux @1m Ultra Bright

BL-150E adopts ultra bright 150W COB-LED, 5600K daylight only, provides 27290Lux illuminance at 1 meter distance with standard reflector.

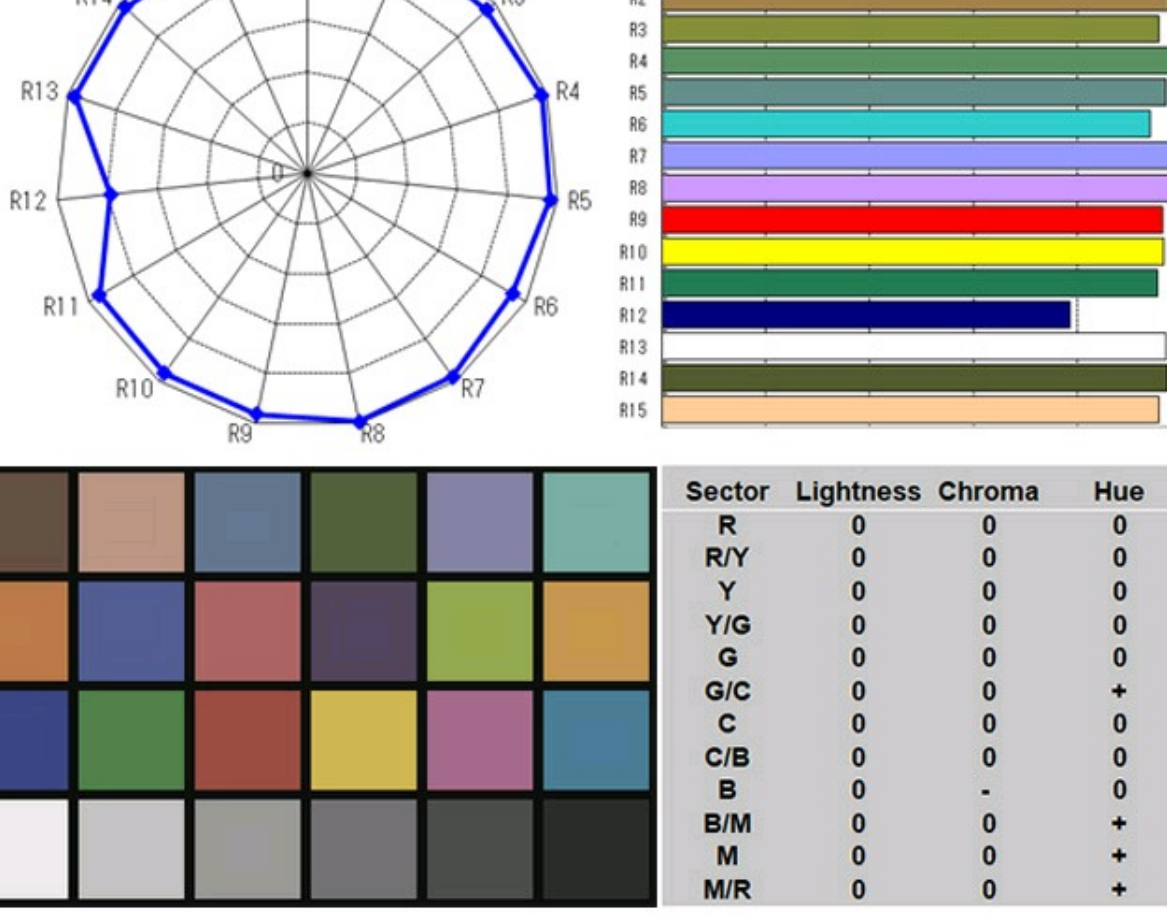

BL-150E	1 meter	3 meters	5 meters
Light only	4400Lux	570 Lux	240Lux
With Reflector	27290Lux	3550Lux	1470Lux

Accurate Color Render

CRI 97; TLCI 98

The normal LED light has 80-85 CRI or TLCI, while BL-150E offers the super high CRI at 97 and TLCI at 98, and will not shift the object original colors under light.

Integrated Control Panel

AC Only, DMX IN & OUT

BL-150E has equipped all interfaces on the rear panel of the light, including PowerCON AC input, 5-pin DMX in & out, control buttons and LCD display, light weight and quick installation.

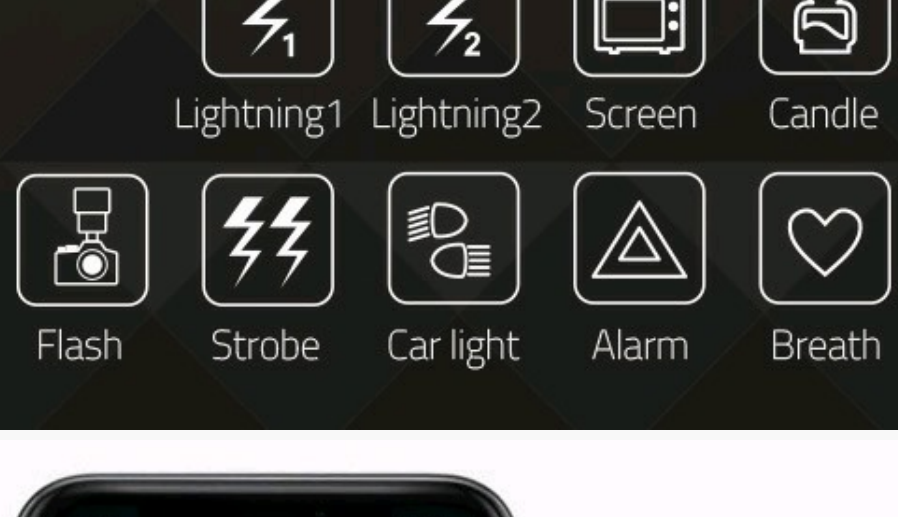

Various Bowens Accessories

BL-150E provides various Bowens mount light shape accessories, including dome softbox, setup beauty dish, softbox, fresnel lens ect, for optional purchase.

9x Light Effects

BL-150E has built-in 9x demo effects, including the commonly used car lights, candles, lightning, flash light effects, for creative productions.

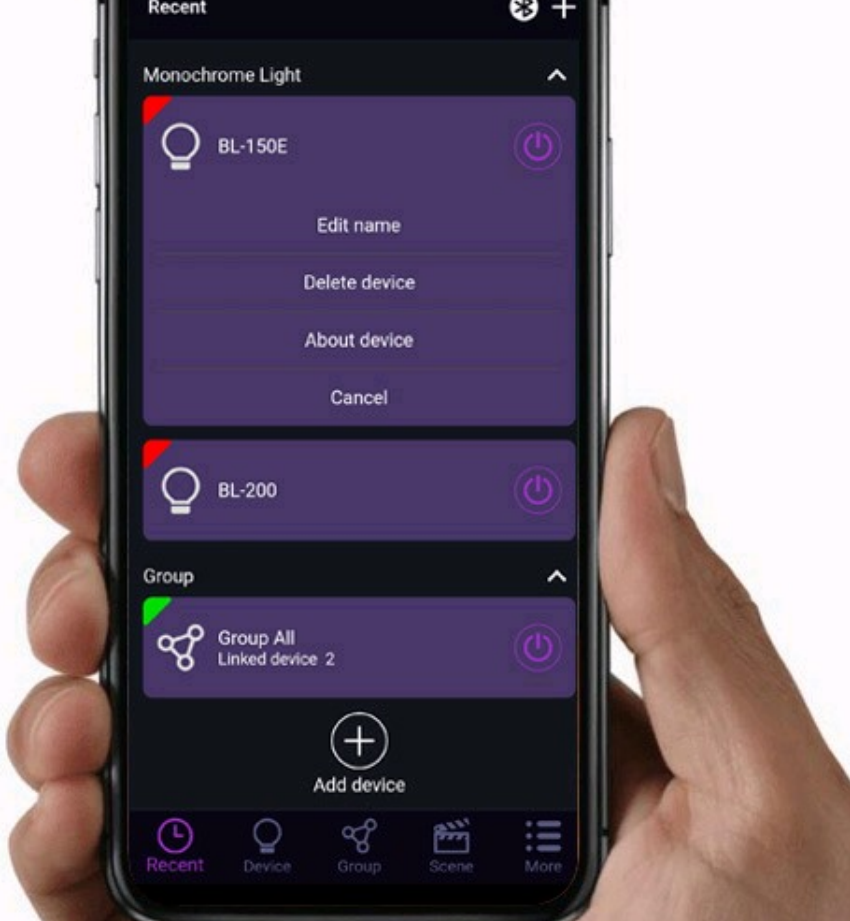

Smart Phone APP Control

IOS and Android

BL-150E and its series model BL-200, BL-300, can be connected to smart phone by bluetooth, and you can rename and group the lights, adjust dimmer, select light effects, and sync the light effect to a music in your device.
