Ultra portable Single Channel Charger

3A, for V-mount batteries

The PC-U130S consists of an AC-DC power module and a DC cable to connect with the pins of V-mount batteries. The single channel charger offers DC 14-16.8V, 3A fast charging output.

LED Charging Indicators for Each Channel

The PC-U130S has an LED charging indicator. It's red during charging, and turn to green when charging finished.
